Rotorua, New Zealand

BLUE BATHS

WEDDINGS

CEREMONIES

The famous Spanish Mission-style Blue Baths has been hosting weddings since first opening in 1933. The elegant foyer leads to a sparkling sapphire blue pool, classic Tearoom, expansive Lido Lounge, balconies and a heritage gallery - offering endless possibilities as settings for romantic ceremonies and stunning photography. For an added fine weather option consider a Blue Baths orchestrated outdoor service held within the tranquil beauty of Government Gardens. Our favourite locations include the sprightly Victorian panache of the Band Rotunda, Klamath Falls Rose Gardens, or opt for the gracious old-world style of the historic Te Runanga Tearooms; whilst statues, pools, park benches, fountains, a gardener’s cottage and the Rotorua Museum provide even more creative scope for rich photogenic backdrops.

RECEPTIONS

The diversity of architectural styles within our grand heritage building offers a variety of unique settings for stylish receptions and candlelit dinners. For those planning a large gala affair, the Lido Lounge is the perfect venue, for an intimate celebration, the charming ambience of the upstairs Tearoom with its potted palms and French doors opening to glamorous garden views is ideal. The neighbouring Bathhouse Pump Room at Rotorua Museum has high ceilings, detailed plaster mouldings, finely crafted native timber fixtures, and commanding views over the Government Gardens providing yet another spectacular option. Or consider a reception under the all-weather sail set amongst the towering Redwoods at Whakarewarewa Forest. Blue Baths also offers catering at exclusive lakeside Marquee locations and other alfresco settings.

Old world  
charm &  
gracious  
hospitality.
