BLUE BATHS

ENTERTAINMENT

“

Thanks to the Blue Baths Team for making our gala dinner such a huge success. Our delegates expect a very high standard of service wherever they go – and I have received nothing but praise about the dinner. Everyone went the extra mile to make sure our needs were met – it's a credit to you all! The entertainment was a huge success and proved very popular with the guests, many of whom requested their details for future events. Please extend our thanks to all involved on the night.
